Information

Swim Supervision Policy

Children under 8 must be supervised in the water and changing rooms by a parent or adult (18+). A maximum of 2 children under 8 are permitted per parent/adult.

This is the recommendation of the Health & Safety Executive.

User Checklist

- £1 for your locker (refunded)
- Swimmer wrist band that is issued at time of purchase by reception is to be worn at all times during the sessions.
- Shower before entering the pool
- Goggles, costumes, armbands and much more available to buy at Reception
- Aqua nappies must be worn by all babies
- Encourage your child to use the toilet before entering the pool

Parent & Child: For under 5s accompanied by a parent or carer. This is a confidence session with floats in the pool.

Adult Lane Swimming: Lanes are split into slow, medium and fast and the remainder of the pool is open to all adult swimmers. The number of lanes may be increased or reduced depending on demand.

Naturist Swim: A nude swimming session for adults 18+ only. (Alton only)

50+ Sessions: Sessions designed for those aged 50 or over only.

Coached Swim: An adult session where you can drop in to gain advice about your swimming, strokes and techniques. This session is aimed at all levels, but is not designed as a swimming class.

Family Swim: Adults are required to be in the water at all times with children of all ages during 'Family Only' sessions.

Fun & Floats

A session with slide facilities (if available at your centre) and floats – a great way to exercise and, at the same time, have fun with your friends and family.

Why should I swim?

- Swimming is a great way to get a trimmer body and improve your general health and fitness.
- Whether you are splashing around with your children, swimming a few lengths a week or joining in an aqua class your health will still benefit.
- Because the water supports your weight the stress on your joints is much less, making it an activity suitable for all ages and abilities.

'I started swimming 6 months ago after not swimming for many years. Having swum twice a week I have now dropped a dress size and have much more energy than I used to.'

Claire, 28, Hampshire.

Did you know?

- Swimming is the nation's most popular sporting activity. (MORI 2005)
- Research suggests you use up to 25 percent more calories in water than you would if you were swimming through air. (BBC)

What session is right for me?

If you want to enjoy a relaxing swim and perhaps do a few lengths, you should consider our Public/Lane Swimming Sessions.

If you want to swim lengths, whether it is 20 steady lengths at your own pace or a more vigorous workout, you should also consider our Adult Lane Swimming and Lane Swimming Sessions. These are ideal for those using our Kinetika swimming membership.

To find out more about our Kinetika swimming membership and other membership options available, please contact a Customer Advisor at reception.
