Have lots of fun with soft play equipment, a mini bouncy castle and a range of toys in our playroom.

Splash and Dive Party

Make a big splash when you jump from the diving board! Your birthday will go swimmingly with cool pool games too! All children must be strong swimmers and be able to swim 50m in a short pool test.

Strikers Party

This party is for all you football fanatics! Get involved in dribbling, passing and shooting drills followed by a game of two halves and penalties.

Trampoline Party

We will have you jumping for joy with this party! A fully qualified instructor will help you and your friends to learn new skills and games.

Wet and Wild Party

Have the whole pool just for you and your friends! Have fun and games with your very own party leader and then some free time with floats, toys and water cannons!

Catering

We do not offer catering facilities for parties but for an additional fee of £15 per hour we can provide a room for your party tea. This will be on a first come first served basis. Advanced booking is advised and it must be highlighted that although we will provide tables and chairs we cannot provide plates and cutlery etc. Unfortunately we have no facilities for cooking or keeping food warm/chilled.

The hire period will include the setting up and clearing away of the room. The hirer is responsible for the setting up and serving of the food and for the supervision of the children whilst eating.
