What is the Coastal Card?

The Coastal Card has been introduced by Suffolk Coastal District Council in order to provide discounts and other benefits to regular users of leisure facilities within the district.

What are the benefits of having a card?

The Coastal Card entitles the holder to a reduction off the casual price for the majority of activities offered at Suffolk Coastal District Council's Leisure Centres. It also enables you to pre-book leisure facilities and achieve even greater discounts through pre-payment for swimming and certain activities.

Who is entitled to a card?

Quite simply everyone is entitled to a card, but it costs less if you live within Suffolk Coastal District Council's borders, and even less for concessionary applications. For full details on card pricing, please read on.

How do I get a Coastal Card?

Simply complete this application form, enclose the required payment, and take it to your local leisure centre or post to Felixstowe Leisure Centre. Your card will then be posted to you within 21 days. The Coastal Card is renewable annually.
